

## LUNA

Product Article No.

LUNA

Finishes available

-  Grey
-  Sand
-  White

Product Description

The Luna basin features a glass structure finished in real concrete, which creates an artistic and contemporary character. The basin is manufactured in Florence Glass and natural-stone inspired concrete.

Material

Florence Glass Atelier is made in a Florentine foundry from hand-blown glass. It features hand-painted brush strokes for colour and texture and reflects the latest trends in Italian interior design.
